Business Description:

KarisMed Family Medicine is a forward-thinking Direct Primary Care (DPC) practice, providing affordable, personalized and high-quality medical care for patients of all ages - adults and children. Our Board-Certified family doctors integrate both conventional and non-conventional approaches to medicine. We don't just treat the symptoms, but we use advanced and innovative techniques to identify and address root causes of diseases. Our team also provide solutions to small, local businesses for employee healthcare plans, a solution that offers higher-quality health benefits at a lower cost for businesses.
